PROFILE

Growth-focused B.Tech Computer Science and Business Systems student with a strong blend of technical execution, brand strategy, and public communication. Skilled in AI-assisted application building, C/C++/Python, Shopify store development, and high-impact digital content creation. Recognized for critical thinking, root-cause problem solving, and effective public speaking with a proven ability to bridge technology and business objectives.

WORK EXPERIENCE

Ishall Natural Skincare | 2024

Freelance Content Strategist & Scriptwriter

- Authored original marketing scripts and short-form video concepts tailored for an established skincare brand with a 7-year market presence.
- Designed audience-centric messaging and hooks on Instagram to increase brand engagement and personal brand visibility.

Future Event Organization (Client: Kishore, Ramapuram) | 2026

Freelance Full-Stack Developer & AI Web Strategist

- Architected and deployed production-ready web platforms (future-events-kishore.vercel.app & tt-events-website-cm-z05f.bolt.host) utilizing React, Supabase, and AI tools (AntiGravity, Claude, ChatGPT).
- Implemented full-stack capabilities, integrating back-end database architecture with responsive front-end design to support event registration and logistics.
- Handled the full client lifecycle from requirement gathering and UI/UX prototyping in Figma/Stitcher to complete delivery and paid sign-off

Sassyness E-Commerce | 2026

Freelance Shopify Developer & Store Designer

- Designed and published an e-commerce platform (sassyness-mvmnapgu.myshopify.com) with customized Shopify themes and storefront layouts.
- Integrated product catalog structures and conversion-oriented navigation designed to drive retail engagement.

LEADERSHIP & CAMPUS EXPERIENCE

E-Cell — SRM IST Ramapuram | 2026 – Present

- Oversee LinkedIn public relations, personal branding campaigns, and external communications for E-Cell.
- Host seminars, network with guest speakers, and craft outreach strategies to scale community reach and club engagement.
